## Framing Hypotheses

### Partner Hypotheses Table

	Theory (explanation or model)		Change to the system (cause)		Effect on the system
If	<i>moving air transfers energy between the coil and the magnet</i>	then when we		we will observe	
If	<i>moving air transfers energy between the coil and the magnet</i>	then when we		we will observe	

### Consensus Hypotheses Table

	Theory (explanation or model)		Change to the system (cause)		Effect on the system
If	<i>moving air transfers energy between the coil and the magnet</i>	then when we		we will observe	
If	<i>moving air transfers energy between the coil and the magnet</i>	then when we		we will observe
